

Rose Fertilizer Recipe

50 pounds 10-10-10 or 13-13-13 fertilizer

50 pounds alfalfa meal

50 pounds fish meal

20 pounds cottonseed meal

20 pounds blood meal

25 pounds bone meal

(10 pounds triple superphosphate) Optional. Clay soils usually have too much phosphate, so use with care.

Apply in early spring and at the end of August: two (2) heaping cups per large bush, 1/2 cup per miniature bush.
